Note: If you do not know your birth time, this may be obtained in one of the following ways:

1. If you were born in a hospital, you have the right under the Freedom of Information Act, to obtain this information from the medical records at the hospital of your birth. In most cases this may be a free service, the hospital is however entitled to charge a small fee.
2. By combining known personal attributes and certain major events of your life, a working time of birth can be determined. This is called "Birth Time Rectification" (birth time correction) - please see www.timelordsastrology.com.au/natal.htm

Please double-check all details entered before forwarding to Time Lords Astrology.

We take no responsibility for errors resulting from incorrect or illegible data.

Please note reports are available in English only.
